

Quiero Aprender Español!

"Aprender" means "to learn" and that is our commitment. We want our students to learn Spanish as a second language because we understand the benefits of being bilingual in today's multicultural world.

FEES: The cost of the classes is only \$80 per month. For your convenience, fees are payable at the beginning of each month.

Students can begin classes anytime!!

Elementary

Beginning: Classes for first-year Elementary students provide an introduction to conversation and to reading and writing in Spanish.

Intermediate: Using a series of books called *Let's Speak Spanish*, second and third year Elementary students continue reading, writing, and conversing in Spanish while learning about daily life in a family that decides to learn Spanish.

Advanced: In the advanced classes, fourth and fifth year Elementary students continue strengthening their reading, writing, and conversation skills as well as studying Spanish grammar and learning new vocabulary. Many of the lessons are taken from middle school and high school Spanish books.
